Laura,

My apologies for not passing this on earlier. Will make sure they CC you for all future items that copies over to Branden and Shawn. Or Branden, now that Shawn is moving over to another program at MDNR.

Hi, Brad

Could you send us the Area 1 & 2 work plan addendum?

To simplify things in the future, could the PRP just cc: us on their submittals?

Thanks so much!

Paul,

Please see EPA's enclosed comments on the Area 1 & 2 work plan addendum. If you have any questions, please call or email me at your earliest convenience. Note, sending me an email per responding next week on specific comments 1 & 2 will be sufficient to document for our record (vegetation clearing comments).
